

Calendar of Giving December 2016

December Collection Campaign *Technology Supplies*

CFC's curriculum goes beyond what is typically offered at Cambodian government schools. With the help of generous computer donations and a comprehensive Information Computer Technology (ICT) curriculum, our schools offer three fully-equipped computer labs and instructional classes for students and teachers alike. CFC students now use more IT skills than students nationally, a skill set that will prepare them well for success.

CFC computer labs are currently in need of specific equipment to enhance the learning experience for our students. Please consider making a donation of these needed technology items highlighted below. Thank you!

Headphone sets:

We have a need for individual headphone sets, similar to the model pictured. You can also choose to donate US\$5 via our virtual giving platform and we will purchase in country.

Laserjet Printer

Please purchase via virtual giving so we can avoid shipping costs. US\$115

USB drives

We have a need for USB drives. Minimum size: 8GB

Used Smartphones:

Request iPhone or Samsung only. Later than Galaxy Note 5.

Upcoming Campaigns Plan Ahead!

The focus of our collection campaigns changes every month. Here's a preview of the rest of the year to help as you plan ahead for activities and possible collections.

January: Preschool Clothes
February: Teaching Supplies
March: Sports Equipment
April: Toiletries
May: School Uniforms
June: Sandals

About Us

Caring for Cambodia (CFC) is a non-profit, non-governmental charitable organization that provides a free education for over 6,600 impoverished children in 21 schools spanning preschool to high school. CFC professionally trains its teachers, and provides everything a child needs to succeed, including food, water, uniforms, school supplies, computers, transportation and basic healthcare. CFC relies heavily on global volunteer support which ensures that the majority of dollars raised directly support the education of a child.

Caring from afar....

No matter where you live in the world, you can join in the spirit of giving with our Calendar of Giving without having to collect physical items or worry about international shipping costs. With your donation, CFC staff will be able to purchase the items directly in Siem Reap. By donating on-line, your gift benefits Cambodia twice - once by directly helping kids and once by benefiting the local economy!

To make a monetary donation to our December Calendar of Giving, please click [here](#). CFC staff will purchase technology equipment locally in Siem Reap. A contribution of **USD\$10** will be directed towards the purchase of needed technology supplies.
